Pakistan's media joins the push to end polio

By Dan Nixon
Rotary International News — 10 April 2009

State and private television stations in Pakistan have joined together to help monitor and promote the nation's polio eradication effort. During the country's 16-18 March National Immunization Days (NIDs), seven private stations participated in a national Polio Control Cell at the Pakistan Television Centre in Islamabad.

The stations promoted a toll-free number, which parents and others could call to report areas missed by health workers.

"All the calls were responded to immediately by a team of volunteers, who noted the complaints and contacted authorities to dispatch vaccinators to the missed areas," says Past District Governor Shakil Hasan Ansari, a member of the Southeast Asia Regional PolioPlus Committee. The TV stations also ran a ticker across the screen, highlighting complaints received from parents whose children hadn't been immunized, followed by notices of the actions taken through the cell.

According to Ansari, the cell received 14,427 calls during the NIDs, enabling teams to immunize 22,300 children who otherwise would have been missed. As part of the effort, the National Database and Registration Authority dispatched more than 100 vans to immunize children in less accessible areas of the country. To read more, click [here](#).

Bring a Guest

Congratulations to our members who have been out taking note of the people in the community that are not currently Rotary members. We have had many guests joining us the past couple of months and have had the pleasure of inducting several new members. Remember, members are the lifeblood of the Rotary Organization. Each new member has an opportunity to be acquainted and to get involved. Keep some Rotary cards on hand

(find them on the check-in table) to give to people you meet that would make good Rotary members. Potential members can be found at places like Chamber meetings, Doctor's offices, church, hair salons and even your seminarian's office. Let's extend the Rotary mission by bringing in even more new members.

Thanks to All Who Helped Host the Mexico Exchange Professionals

Denton Rotary is fortunate to have so many exceptional members who stepped forward to help coordinate the five visitors from District 4160 in Mexico. Participants interviewed professionals from their career field, learned about USA and Texas traditions, customs and practiced their English skills last week at the side of many of our members. A special thanks to Dr. Steve Coburn for coordinating this awesome visit. Visitors departed Tuesday evening for their next stop in Wichita Falls.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
