The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for business people and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provides travel grants for teams to exchange visits in paired areas of different countries. For four to six weeks, team members experience the host country's culture and institutions, observe how vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

In a typical four-week tour, applicants participate in five full days of vocational visits, 15 to 20 club presentations, 10 to 15 formal visits and social events, two to three days at the district conference, three to four hours per day of cultural and site tours, and three to four hours per day of free time with host families.

For each team member, the Foundation provides the most economical round-trip airline ticket between the home and host countries. Rotarians in the host area provide for meals, lodging, and group travel within their district.

Last week, 2009 GSE team members provided a look into their family and professional lives. It is our pleasure to continue the exchange of ideas and lives with our following guests:

Rotary Notes

Blood Drive

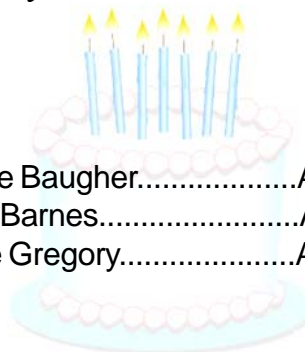

Please start spreading the word about our upcoming Rotary blood drive. It will be held on April 30th in front of Fremaux's Metropolitan Catering, 932 w. University Drive. The hours are 9 am - 4 pm on Thursday, April 30th. We need donors to give blood and also volunteers to help us register donors and give directions during the event. See Virginia McDaniel or Chuck McCarty.

New Members Share Their Story

This week new members Jim Engelbrecht, Penny Gee, Kay Clayton and Bob Stewart will give their classification talks. Classification talks are a great opportunity to learn more about the careers of our new members and what led them to our Denton Community. Come prepared to learn about the success stories of these four new members.

Happy Birthday to our members with April Birthdays!

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
