Putting Wheels on Dreams

by Tim Mangrum

Mitch McCartney's program at the August 6 meeting was both inspiring and eye-opening. He not only reported on the impact we have made on thousands of lives throughout Mexico and South America but also made it real with heartwarming personal stories. From the 113 year-old lady to the little boy who had never been able to move himself. Everyone's heart melted and then beat again with joy at the sight of the smile on the little boy in the last picture.

Doing that kind of good is what inspires us to take a little more from our vacation fund, eating-out budget or put off buying that set of golf clubs and give it to others. It's a joy to be around others who give of their time, talent and treasure to help others. It's our quality of people that is perhaps the greatest attraction for others to join our club. Everyone wants

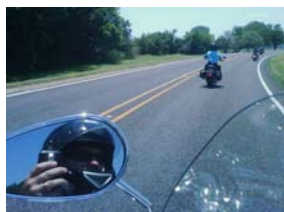

to be around positive, loving people and Rotarians are some of the best (especially our club of course)! Keep up the great work everyone!

Editor's Note: This content was intended to be in the previous week's newsletter, but due to software version compatibility issues, the publisher was not able to do so and published other content instead. That problem has been resolved. Also, the editor will be out of the country for the meeting on the 20th so the schedule has been adjusted to include what you missed last week.

The Rotary Riders Ride Again!

by Tim Mangrum

The Rotary Riders ranks swelled by 33% this week as we welcomed our newest member Karen Ibar. Yes that's right we now have a biker chic among our ranks! If you add the 33% growth of total members with 100% growth in genders, according to government math that would be – yes 133% growth! Ok not quite but hey we are thrilled to have her. Her initiation ride was our second time to visit

and support the Sanger Rotary club where we also saw our fellow Denton Rotarian Ernie and his son Ernie Jr. who kindly took our photographs. After the club meeting Quentin led us on a meandering ride circling Lake Ray Roberts. It was a good day, but then so is pretty much everyday on our steel steeds.

Rotary Notes

Coaching Minute

This week we just have a simple thought. Give without measuring. Don't hesitate to help just because you MIGHT be taken advantage of, so what if you are? You'll get over it and all those times that you aren't taken advantage of wouldn't have happened if you were playing it safe. "If you're not being taken advantage, you're likely not helping anybody!"

Bringing it Home

Tim Mangrum presented Larry Aaron a banner from the Rotary Club in Tim's hometown of Tunica, MS which he visited a few weeks ago. "It was great to be in a club that not only knew my family from growing up with them, but was also now part of my family through Rotary."

Member Spotlight

To help us get to know one another better, most issues will now include a section spotlighting one of our members each week. Who to start with was the question, but the answer was not hard to find. Dick Stewart has been one of the best examples of "Service Above Self" for over a decade.

Each week he tirelessly brings, unpacks and sets up all our Rotary paraphernalia for our meetings. His quiet, relentless service is easy to miss or take for granted because he is so dependable, efficient and humble about it.

We certainly appreciate his selfless service with our club, but this pattern of sacrifice did not start here. Remember a few years back when he regaled us with the stories of his service in WWII and the Air Force. It's obviously just a way of life for him. We are all thankful for his service then and now. So Dick, from all of us Denton Rotarians here's a big ol' Texas-sized THANK YOU!!!

August is Membership and Extension Month!

Boys State

This coming week's program is going to be a great one to bring your kid to visit. What these boys are doing is fascinating. Lee Keith heads up this program for the American Legion and Thursday we'll get to see what a great project it is.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
