Wheelchair Project transforms lives

Mitch McCartney will be our featured speaker for this week's meeting. He is Chair of the District Wheelchair Project and is a member and Past President of the Burleson Rotary Club. He currently serves as Assistant District Governor and is a member of the Strategic Planning Committee.

Mr. McCartney will share stories of his involvement with the Wheelchair Project and how providing wheelchairs provides mobility, dignity and hope to those in need. You won't want to miss this informative and insightful presentation.

"One of my greatest Rotary passions is Wheelchairs. If I can help your club continue to participate in this project, I will feel very satisfied."

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
