Developing Denton

Barbara Ross, Administrator for Denton Community Development, will be the featured speaker for this Thursday's meeting, the final meeting for 2010.

Ms. Ross has worked for the Community Development Division of the City of Denton for the past 25 years. She has been administrator of the City's grant programs since 1987. Before joining the City staff, Ms. Ross taught social science in the Hurst-Eules-Bedford Independent School District. She received her BA from Tarleton State University, Stephenville TX and her Masters of Public Administration from North Texas State University (now UNT!).

Ms. Ross was Chair of Region VI - Southwest NCDA in 1996 and has served for several years as a board member representing Region VI and the City of Denton on the National Community Development Association (NCDA) Board of Directors.

This past June, she was elected Vice-Chair of NCDA.

Great job, everyone!

Top Rotary stories of the year

1. Earthquake in Haiti

Rotarians in Haiti began laying the groundwork for recovery after a powerful earthquake shattered the capital of Port-au-Prince on 12 January, leaving 200,000 dead and millions more homeless.

The Rotary Foundation established the Haiti Earthquake Relief Fund, a donor advised fund, which raised more than US\$1.3 million by April toward long-term recovery. A task force set up two years earlier by District 7020, which includes Haiti, to administer all financial aid to the nation worked with local clubs to deliver aid where needed.

In late February, 2009-10 RI President John Kenny visited the country “to show that Rotarians worldwide care about the plight of their fellow human beings, many of whom have lost everything.”

2. RI theme

Incoming RI President Ray Klinginsmith unveiled the 2010-11 RI theme, *Building Communities — Bridging Continents*, during the International Assembly in January. He described how his 50 years of Rotary experience contributed to his focus on communities at home and abroad. To read more top Rotary stories for 2010, click [here](#).
