### Queen Noor praises Rotary's "chorus of hope"

*By Joseph Derr*  
*Rotary International News – 23 June 2010*

Queen Noor of Jordan addressed attendees of the 2010 RI Convention in Montréal, Québec, Canada, on 22 June during the third plenary session, highlighting the importance of building sustainable communities through the work of The Rotary Foundation and of collaborating with like-minded organizations.

While conflicts and other global challenges make achieving stability seem like a daunting task, Queen Noor said Rotary can make a significant contribution through its international network of dedicated clubs and its strategic alliances with other organizations, moving the world in the direction of progress and peace.

Queen Noor of Jordan is thanked by RI President John Kenny during the third plenary session on 22 June at the 2010 RI Convention in Montréal.

## Dolly Parton sees an ally in Rotary

By Joseph Derr

Rotary International News — 23 June 2010

Country music legend Dolly Parton and Boys Scouts of America Chief Scout Executive Bob Mazzuca inspired Rotarians at the fourth plenary session on 23 June to keep serving their communities and underscored the common bond their organizations share with Rotary, in philosophy and in practice.

After greeting the audience by singing her hit song “9 to 5,” Parton recited The Four-Way Test, saying she also sought a “short, simple, and powerful” statement to guide the Dollywood Foundation: Dream more, learn more, care more, be more.

Mazzuca told attendees that the Rotary and Scout movements are similar in their ability to develop leaders, citing a shared history.

“Rotary founder Paul Harris and James E. West, our first chief scout executive, were dear friends,” said Mazzuca. “They traveled the country together, establishing local Boy Scout councils. And our relationship continues to be strong today, with Rotary clubs in the U.S. sponsoring more than 1,400 Scout units serving 45,000 young people.”

The similarities also extend to The Four-Way Test and the Boy Scout Oath and Law, Mazzuca said.
