### UNT Scores Big

UNT's new stadium will be the topic for next week's Denton Rotary Club meeting. Mandy McKinley and Hank Dickenson will be on hand to give you the score on all the latest plans and details for the big project.

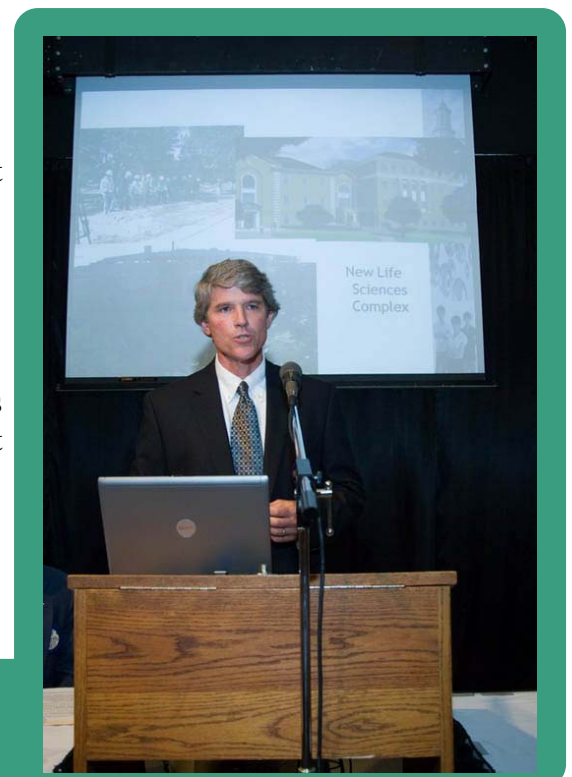

**Mandy McKinley** begins her sixth year in athletic development for the North Texas athletic department. Significant strides have been made in Mean Green Club membership and increased financial support of the annual athletic scholarship fund have occurred under McKinley's leadership.

While she remains as the Executive Director of Mean Green Club, McKinley will take on additional duties in the coming year as it relates to all capital campaign projects within the athletic department. Her duties include the day-to-day donor management for the annual athletic scholarship fund including solicitation and maintenance of memberships.

**Hank Dickenson**, the longest tenured administrator at North Texas, enters his 15th football season with the Mean Green in 2009. In his role as the Deputy Athletic Director, Dickenson assists the Director of Athletics in sport oversight of football and men's basketball, scheduling, administrative management, personnel management and holds a leadership position on the senior management team.

Dickenson continues oversight of the sponsorships and advertising revenue for the athletic department while handling supervisory duties for all external activities of the athletic department. This includes the areas of fundraising, marketing, promotions, media relations and overall public relations within the community.

## Coaching Minute

So you take your car in for tune-ups, your office equipment for maintenance, and your teeth for check-ups at the dentist; but how often do you do check-ups or maintenance on your attitude, your skills and your relationships? We often neglect these most important parts of our lives for a variety of reasons. Whatever that reason is, it's not good enough. It's really just a lame excuse. It's important to invest in ourselves by taking the time and effort to as Stephen Covey says "sharpen the saw" or just update our skills, opinions and

feelings and re-decide if we are on-course or need to make adjustments. If we neglect to maintain ourselves and our relationships, they will deteriorate and break down. Sometimes it can be a do-it-yourself project and other times it's helpful to bring in professional coaches, counselors or consultants to help. We've got several of these types in our club and if you're over-due, now may be the time to give them a call.

## Flashback

Several folks asked about the video Michael Monticino showed during in his presentation last week. He was kind enough to forward the link, so if you missed it, want to see it again or want to share with someone else, click on the image to the right or follow the hyperlink: <http://www.youtube.com/watch?v=jpEnFwiqdx8&feature=fvw>

## Elvis Invasion

The king is coming back. Yes fellow Rotarians, our brothers and sisters from the Denton South Rotary club warned that our town square will soon be taken over by Elvis. Actually a bunch of them – well at least a bunch of wanna-be's! Don't worry though, it's for a good cause. Proceeds from this fundraiser event will go to help the Denton State School. If you're inner-Elvis is "All Shook Up" and you sing better than a "Hound Dog", "Don't Be Cruel", put on your "Blue Suede Shoes" and do the "Jail House Rock" on the square because "It's Now or Never" and if you miss this "One Night" you'll be "Crying In the Chapel" or "In the Ghetto" or maybe down at the "Heartbreak Hotel" so "I Beg of You", "Don't" or you'll "Feel So Bad".

If you can't find your jump-suit it's ok, John Cooper said you could borrow one of his. Seriously, impersonators are welcome to participate and they also need some business sponsors. Now's your chance to have some fun and help a great cause. So we'd like to tell you in advance just how much we appreciate your assistance in this by saying "Thank you, Thank you very much"!

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."
