New Beginnings

Happy New [Rotary] Year Rotarians! We congratulate and welcome Larry Aaron as our new club president. We thank him for his willingness to serve as our leader this year and look forward to his guidance in the coming year's challenges and opportunities. This year's Rotary theme is, "the future of Rotary is in your hands". Larry please know that as we pledged, the full support and resources of our club are in yours. Thanks to our new board and club officers, you are not alone. We appreciate and anticipate the contribution of our whole leadership team in their 2009/2010 term.

One more Texas-sized thank you to Eva Poole for her fabulous leadership in 2008/2009! She did not just wind down her tenure but rather went out with a bang (like this holiday)! She surprised many of us with special recognition, awards and awesome cake from Candy Haven as her way of saying thanks to all who contributed to our club's very successful year.

In the theme of new beginnings, last week marked the beginning of our 'Rotary Riders' group. They serve as ambassadors on a mission to expand communication and cooperation between clubs and the communities they serve. As their inaugural event, they rode to support the Sanger Rotary club which is striving to rebuild its membership numbers. The founding members of the Rotary Riders on this first ride were Quentin Hix, Steve Shepherd, Tim Mangrum and future Rotarian, 8 year-old Trevor Mangrum. Despite the small size of the Sanger club, they're very ambitious. Their Purple Bus and exchange student programs are impressive. We encourage all fellow Rotarians to visit them as they still need our support and according to rumor, you'll be hard-pressed to find a better down-home meal than they served (no offense Chuck).

Rotary and the American Way

This time of year our minds naturally turn to celebrating our nation's birth (if not mush from the Texas heat) and typically we think of the great heroes of our legacy of freedom. This year in addition to reflecting on their sacrifices, I encourage each of us to honor them by making sacrifices of our own for the cause of liberty, justice and what we call the American way. No

there are no British to run out (except maybe Simon Cowell) but there are a lot of things that we can do to preserve our freedoms and put them to good use. They're important to preserve because without these basics like freedom of speech, the right to assemble and all the others made possible in our Constitution and Bill of Rights our club could have never been birthed.

Today the Rotary Club is perhaps one of our nation's greatest exports and a model of the good that can come from small groups of dedicated citizens that commit to service above self. So whether you commit to a sacrifice of extra time, talent or treasure this year to promote the success of our nation through civic, business, church or other means; just pick one and do it. By serving our nation we help it continue to make the entire world a better place.

Rotary Notes

Coaching Minute: Regardless of our profession we all could use and appreciate when someone helps us out now and then. If we're in need of help there are two likely causes: either no one knows it because our egos sometimes keep us from asking for it or there's a second which we'll cover next week.

For the first, that is often much easier said than done because of our fears of what others may think, say or do if they see we have a chink in our armor, but hey, let's get real. We all have weak spots and while some folks may try to take advantage of them, that's not enough of a reason to not get help. Our club members are a safe source to ask for help. We have all committed to follow the Four Way Test and we are each held accountable by our fellow members. So take the leap and ask for help, we'll catch you. Look for the second reason we may need help, here next week.

The Mister Joe Trio (Joe Pinson – keyboard and vocals, Andy Cooper – clarinet, alto clarinet, and mando-bando, and George Merritt – banjo) will perform some original songs written by Joe Pinson at the July 9 Denton Rotary meeting.

Terry Nobles, President of Music Theatre of Denton, will also discuss the upcoming show (July 10 and 11) and talk about the objectives of the organization.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
