Reaching the Summit

Carla R. Weiland, Chief Executive Officer for Camp Summit, Inc, will be the speaker for our June 18 meeting. Camp Summit was created in 1993 to assume management of the residential camping program for people with disabilities, established by Soroptimist International of Dallas in 1947. Since 1993, they have seen a 50% increase in the number of campers. The mission of Camp Summit is to provide barrier-free outdoor experiences that promote personal growth and foster independence for children and adults with disabilities.

The campers range in age from six to adulthood and may be developmentally delayed, physically challenged, dual sensory impaired (deaf and blind) or have multiple disabilities. Their programming consists of 10 one-week summer camping sessions each year from May through August and weekend sessions in the fall and spring. Agencies and organizations can book

special programs year-round through our A.C.O.R.N. (Agency Cooperative Outdoor Recreational Network) program. The camp is located in Argyle, Texas on 117 acres of land. They are a United Way partner agency, accredited by the American Camping Association and licensed as a Youth Camp in the State of Texas. They are one of approximately a dozen camps in the nation that accept participants, regardless of the severity of their physical, developmental or multiple disabilities.

As the name "Camp Summit" implies, the goal is to help children and adults with disabilities reach their own personal peak by providing recreational, therapeutic and social activities in an authentically natural camp setting. Campers are encouraged to try new experiences in order to gain self-confidence, increase personal independence and learn cooperation. Activities include swimming, horseback riding, performing arts, a ropes challenge course, wilderness and nature study, arts and crafts, fishing, games, camping and group activities. All activities are adapted to each individual camper's ability.

Ms. Weiland comes to Camp Summit with a varied background in Non-Profit and Camp management. She has worked with numerous camps throughout the country and is inspired by the campers daily. She looks forward to opening the new facility in Sunset, Texas. She is a graduate of the University of Nebraska where she earned a BS in Recreation and Leisure Studies with an emphasis in Therapeutic Recreation.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
