Up, Up and Away (Also Known as the Full Monty)

Monty Cook, airborne traffic reporter for WBAP (820 AM) was the speaker at the May 29 luncheon. He described the job as "fun" if you can call getting up at 4:00 a.m. 5 days a week fun.

Monty started his career at age 13 by announcing little league football games. Monty attended North Garland High School. After school, he served in the United States Army (Infantry) between 1990 and 1993, including a stint in the Persian Gulf for Operation Desert Storm/ Desert Guardian. He received his degree in RTVF from UNT.

After work in several markets, Monty received a call to be on WBAP and he hasn't looked back (in spite of motion sickness and a fear of flying). His first call was in a Cessna above Texas Motor Freeway. Now, of course, it's helicopters. Monty points out the job involves providing first descriptions and it helps to be a talker.

Concerning the radio business, Monty says these days most stations are owned by a few corporations and they have an eye on the bottom line which means an emphasis on ratings. Job security is

tenuous.

However, he believes if you treat others with honesty, integrity and respect, it will be returned. Monty and his wife Laura Houston, who is also a WBAP traffic reporter, have two children.

Getting Ready for Next Year

From the mini retreat:

Charles McCarty, Director – Environmental Protection, Blood Drive, Vocational Service

Gary Conwell, Director – Career Development, Vocational Awards, Vocational Awareness, International Service

You will be hearing more details on what is involved in these service opportunities

Tony Rex Joins Denton Rotary

Tony Rex, CEO of Integrity Transitional Hospital, a long-term acute care facility, was inducted on the 29th. Over the years, Tony has been to many Rotary meetings where his job has taken him, but this is the first time he has had a chance to join Rotary. A graduate of Southwest Texas State, Tony and his wife have a son (and a Golden Retriever that Tony has had for three times as long as he has been married). This may explain his interest in dove and pheasant hunting.

Thoughts for Memorial Day

This wasn't in the Flywheel before Memorial Day, but you might find this is relevant.

When in England at a fairly large conference, Colin Powell was asked by the Archbishop of Canterbury if our plans for Iraq were just an example of 'empire building' by George Bush. He answered by saying, 'Over the years, the United States has sent many of its fine young men and women into great peril to fight for freedom beyond our borders. The only amount of land we have ever asked for in return is enough to bury those that did not return'. You could have heard a pin drop.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
