Tips for a lifetime

Pam Brandon will be the speaker at the March 19 Denton Rotary Club meeting. Pam represents the Area Agency on Aging and ADRC (Aging and Disability Resource Center) as an instructor for caregiver education programs and support groups throughout Tarrant, Dallas and Denton counties.

Pam's background in caregiving began over 15 years ago when she became a long-distance caregiver to both her parents and later the primary caregiver for her mother, who battled Parkinson's Disease.

Her passion for this field led her to work in long-term care and nurture the growth of a caregiver support group within her church; she now develops community awareness of the needs of older adults and family members who care for them through the collaborative efforts of this project.

Pam has a B.S. in Business and is currently pursuing a Specialist Certificate in Applied Gerontology from UNT. She is a member of the Tarrant Area Gerontological Society and the Texas Organization of Personal Care Homes (Torch), where she was a Speaker at their State Convention in 2008.

Pam lives in Colleyville with her husband, John and their two awesome teenagers, Lauren and David. She is an avid cook and in her limited free time tends to her organic garden.

Have you been asked to serve?

Watch out when you see Larry Aaron or John Cooper coming toward you. Next year, our club has been asked to host the 2010 District Conference. It will be held April 15-18, at the Marriott (Doral Hotel) by the Speedway. Co-Chairs Larry and John have already selected the steering committee and have had the first organizational meeting! Talk about organized. To help make the conference the best ever, 2010 District Governor, John Miller, met with the team to outline his vision for his upcoming year. This will be a most fun undertaking for our club.

We know that all of our Rotarians will jump right in, as always, and volunteer when asked to work on one of the committees.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
