A Message From Our President Elect

Dear Club Members,

As you know, I will assume the head of our August body on July 1, 2008! In

preparation for the upcoming year, I am planning a mini-retreat with our Board of Directors and officers on June 2nd to assess member satisfaction with club activities/projects and establish our goals for the coming year.

In order to begin this planning process, I would like to receive your input on what each of you most appreciate about our club as well as what you believe needs improvement. Would you please take a few minutes to complete the attached

questionnaire and give me your honest feedback? **(Check your Rotary Emails. Eva emailed this with the survey attached.)**

Please know that your responses are confidential! The questionnaires will not be circulated. I simply want your opinions about how to improve our club, on or before May 29, 2008. If you are uncomfortable returning the questionnaire by email, please return your hard copy to me at our club meeting next Thursday.

Thanks in advance for completing the questionnaire!

Eva Poole
President-Elect
Denton Rotary Club

ShelterBox, Rotarians Help Chinese Earthquake Victims

Four hundred ShelterBox containers will reach China's Sichuan Province this weekend to help alleviate the acute housing shortage after a 12 May earthquake there left 50,000 people dead and more than five million homeless. Another 400 containers are en route to the area.

Each container provides a tent, stove, water purification kit, blankets, tools, and other necessities to help a family of 10 survive for six months. ShelterBox is a UK-based disaster relief organization supported by Rotary clubs around the world.

At the request of the Chinese government, ShelterBox will also provide an additional 1,700 tents. To read the entire article, click [here](#).

Sounds Like a Plan

Mark Cunningham, the City Planning and Development Director, was the featured speaker at the last Rotary meeting. Although new to Denton, Mark has 15 years public service experience and a Masters in Public Administration.

He detailed much of what is happening in Denton's master planned communities such as Hills of Denton, Hills of Denton North, Cole Ranch, Hunter Ranch, and Rayzor Ranch. Among the commercial developments he mentioned was the new public safety training facility. Overall Denton is looking for the right mixture of developments that will allow people to live and work within the city limits.

Classification Talk

Jack Thompson, now serving his third term on the Denton City Council, gave us a good personal profile during the May 15 meeting. Chairman of the Ethics Committee, Jack is a strong supporter of maintaining neighborhood integrity.

His background is well suited for this role. He is a retired Presbyterian minister who completed Princeton Seminary. Along the way he also collected two masters degrees, restored 5 Model A's, and enjoyed playing tennis. Jack has also had significant international involvement and that continues to be an interest.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

Paul P. Harris, 1947
