### Coach Dodge talks football, future

Todd Dodge was our featured speaker at last week's Rotary meeting. He knew when he took the job at North Texas a year ago that there would be a transitional period. He knew that it would take some time to implement his philosophies and his schemes and he knew that there would be some difficulties along the way. Dodge also knew that he and his staff would be a factor in the learning curve.

From the first team meeting until the season finale, the first year under Dodge was a season of continuous evaluation and adjustment. Dodge and his staff spent the entire 2007 spring practice season assessing his personnel, while trying to completely overhaul the offensive system. His primary goal was to convert a run-based offense that featured two tight ends into a high-powered spread attack that used four and five wide receiver sets. The conversion for Dodge's new offense would also have to come with just five returning starters and no returning all-conference performers.

The offensive development continued throughout the 2007 season, and despite being in a transitional period, the Mean Green broke single-season school records for total offense (4,901) and passing yards (3,476). With Dodge's teaching, three offensive players earned all-conference honors, including Sun Belt Conference Freshman of the Year Giovanni Vizza who took over as the starting quarterback five games into his inaugural year. Former walk-on receiver Casey Fitzgerald also found a home in Dodge's offense, breaking every single-season receiving record and earning honorable mention All-America honors.

Dodge, 44, officially assumed control of the North Texas football program on Dec. 26, 2006 - three days after he had coached his Southlake Carroll High School football team to its fourth state championship in five years. Part of the attraction to North Texas for Dodge was the history of success. The Mean Green dominated the Sun Belt Conference from 2001-2004, winning four straight championships and posting an amazing 25-1 conference record during that time. After fleeting success in 2005 and 2006 Dodge was hired to help secure the foundation and restore the program to its winning ways.

## Rotary Notes

**Take a good look. These are the leaders of tomorrow.**

Brandon Torres and Kristin Brock of the Ryan Rotaract Club spoke at last week's meeting. Rotaract is a Rotary-sponsored service club for young men and women ages 18 to 30. Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club. This makes them true "partners in service" and key members of the family of Rotary. As one of Rotary's most significant and fastest-growing service programs, with more than 7,000 clubs in about 163 countries and geographical areas, Rotaract has become a worldwide phenomenon.

All Rotaract efforts begin at the local, grassroots level, with members addressing their communities' physical and social needs while promoting international understanding and peace through a framework of friendship and service. Photos by Don Barnes.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."
