### Bigger, Better, Bolder

This year marks a significant anniversary for Rotary! Although the Rotary Club of Chicago started in 1905, the first convention of Rotary clubs was held in August of 1910 with 60 Rotarians representing 16 clubs. Our history as an organization of Rotary clubs started with that meeting in 1910, and we are now commencing a second century of service for Rotary as an association.

All of us want this century of service to be even more successful than the last. Therefore, this is an opportune time to ask: Are we taking the right steps to ensure that success? Are we doing the right things? Do we have a clear vision of the future? In the words of “America the Beautiful,” can we “see beyond the years”?

As Rotary’s 100th president, I believe we are moving in the right direction. Our 33,000 clubs are Rotary’s biggest asset, and our success in the next 100 years will depend on the ability of our clubs to remain vibrant and vital. Their strength will determine our success!

The RI Board has taken several steps to offer more assistance to our clubs this year, including creating the Rotary Coordinators program to assist district governors in providing information about Rotary International’s programs and best practices to the clubs.

I firmly believe that if we help our clubs to become better and bolder, then the clubs will become bigger – both because of the increased pride of our Rotarians in their clubs and the increased awareness of Rotary by prospective members. Therefore, my goal is to help the district governors to help their clubs to become Bigger, Better, and Bolder!

This is a great time to be a Rotarian. Together we can make this century of service even more exciting than the last!

# Why I joined Rotary, Part 3

## Gabriel Carranza

The disparity gap in our world is becoming wider every day. I am thankful to have what I have, but I feel a social responsibility to contribute to increase the quality of life of others. The Rotarians are a reputable organization through which I hope to do my small contribution.

## Rick Rahn

Long-time good friend, Bob Stewart, invited me to a Denton Rotary meeting to hear the recent program about solar energy, and I was impressed by the quality of the presentation and the friendly welcome of Denton Rotarians. The local community involvement of Denton Rotarians as well as the international scope of Rotary that Bob explained resonated with me as did the Four Way Test that members recite together at the end of every meeting. In subsequent visits, I especially enjoyed meeting and learning about the diverse interests and professions of the Denton Rotarians. For these reasons, I was pleased to be asked to join Denton Rotary.

## Jeff Muenstermann

I first attended a Rotary meeting several years ago with my best friend who is a member. He is now President of the Plano Rotary. I had helped his group at events like the Plano Balloon Festival and saw the camaraderie of his fellow Rotarians and the heart they have for those in need. Each Rotary member I have had the pleasure of meeting definitely ascribes to the "Service Above Self" motto. This is very important to me because none of us are in this world for ourselves, but to serve. This is an organization that I want to be a part of.
