Texas Boys State

Lee Keith will be the featured speaker for this week's Denton Rotary Club meeting. Lee will discuss the Texas Boys State.

American Legion Boys State is among the most respected and selective educational programs of government instruction for high school students. It is a participatory program where each participant becomes a part of the operation of his local, county and state government.

Boys State has been a program of The American Legion since 1935 when it organized to counter the Fascist inspired Young Pioneer Camps.

The program was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card, who organized the first Boys State at the Illinois State Fairgrounds in Springfield.

The American Legion Auxiliary sponsors a similar program for young ladies called Girls State. At American Legion Boys State, participants are exposed to the rights and privileges, the duties and the responsibilities of a franchised citizen. The training is objective and practical with city, county and state governments operated by the students elected to the various offices.

Activities include legislative sessions, court proceedings, law enforcement presentations, assemblies, bands, chorus and recreational programs.

High school juniors are selected by local American Legion Posts to attend the program. In most cases, expenses associated with attending this program are paid by a sponsoring American Legion Post, a local business or another community-based organization.

American Legion Boys State is currently conducted in 49 Departments of The American Legion.

Hawaii does not conduct a program.

Five years after Katrina

Wayne Hearn

Rotary International News — 26 August 2010

Five years ago, the devastation wrought by Hurricane Katrina made it impossible for New Orleans to host the Rotary International convention as planned in June 2007.

But even as they coped with their own personal and professional losses and pitched in to rebuild their communities, New Orleans area Rotary club members remained determined that the humanitarian organization's most important annual meeting would return when the city was ready. Their dream will be realized May 21-25, 2011, when more than 17,000 Rotary members from around the world will convene in the Crescent City for the first time in 35 years, injecting a much needed infusion of at least \$20 million into the local economy.

After Katrina ravaged New Orleans and the Gulf Coast on Aug. 29, 2005, Rotary members worldwide raised more than \$19 million in donations and grants for relief and recovery efforts throughout the region. This includes a special Katrina Relief Fund that eventually exceeded \$1.9 million, with support from Rotary clubs as far away as Australia, Japan, Sweden, Panama, the United Kingdom and the Netherlands.

New Orleans Rotarians were particularly involved in the restoration of Warren Easton High School, which was severely damaged by the floodwaters that inundated much of the city. Rotary clubs in California, Florida, Kentucky, Massachusetts, Pennsylvania, New York, and Germany helped raise \$60,000 for repairs. Rotary volunteers from California and other states joined their New Orleans counterparts during the sweltering summer of 2006 to get the school ready for its reopening. Project coordinator Henry Lowentritt, of the Rotary Club of New Orleans, said opening the city's schools was crucial to the overall recovery. "Teachers, parents, and kids who have left New Orleans won't be back without quality schools," he said. Read more [here](#).
