Well, Well

Dr. Karen Ibarguen, our new Rotarian, was born and raised in Houston, Texas. She moved to the Dallas area as a teenager and graduated from Richardson High School in 1973. She then went to UT Arlington on a softball scholarship until a knee injury sidelined her athletic participation.

After originally starting a roofing business in 1979 to work her way through college, she enrolled at Southern Methodist University and graduated with a pre-medical degree in 1985. After attending Parker College of

Chiropractic in 1995, she opened a Wellness Clinic in Carrollton in 1999 and a second location in Denton in 2005.

She now practices solely in the Denton area as a Chiropractic Neurologist with a focus on Wellness. One of Karen's favorite hobbies is golf, a sport she played with her dad as a child.

(Check out our photos this week. Our favorite photographer, Don Barnes, is back and now recovering well from that traffic accident in Florida.)

Mardi Gras Stats

Last week Harv Kitchens gave us a report on the success of the Mardi Gras Festival. 422 attended (President Sonja Rogers had guessed in advance that 421 plus her self would be there. No wonder she's president.)

Mike Gregory retained his dance championship title followed closely by Charles McCarty. Total revenue from the Mardi Gras event was over \$20,000. Expenses were \$5,000, so that leaves more than \$15,000 for Denton Rotary's selected community and international projects.

Rotary Note:

In the 1980s, 1,000 children were infected by polio every day in 125 countries. Today, polio cases have declined by 99 percent, with fewer than two thousand cases reported in 2006. Learn about Rotary's commitment to eradicating polio by clicking [here](#).

Google gives Rotary US\$3.5 million to help end polio

*By Dan Nixon
Rotary International News*

Rotary International has received a US\$3.5 million challenge grant from the Google Foundation, a nonprofit managed by Google.org, in support of Rotary's top goal to eradicate polio worldwide.

Rotary will raise funds to match the Google Foundation grant dollar-for-dollar over one year.

The grant and matching funds will directly support polio immunization activities carried out by the Global Polio Eradication Initiative (GPEI), a partnership spearheaded by the World Health Organization, Rotary International, UNICEF, and the U.S. Centers for Disease Control and Prevention.

Eradicating polio has been Rotary's number-one priority since 1985. To date, Rotary has helped immunize nearly two billion children and contributed \$650 million to the GPEI, a figure that will rise to more than \$850 million by the time the world is certified polio-free.

"Following the Bill & Melinda Gates Foundation's \$100 million grant to Rotary in November, Google.org represents another response to the call for support by Rotary and its partners to finish polio," says Dr. Robert S. Scott, trustee chair of The Rotary Foundation. "Both challenge grants reflect strong confidence in Rotary's leadership role in working relentlessly to help achieve this vital public health goal for the world's children."

Hitting a High Note

Last week quite a few Rotary spouses joined us for a great program presented by Beverly Hoch, Adjunct Professor of Voice - TWU, Hope Seamster, TWU Voice Student and Gabriel Bitá, Staff Accompanist - TWU.

Dr. Herbert Holl presented the program. It ranged from rippling water on a spring night to the Phantom with some comic relief and selections as diverse as Mozart and Cole Porter in between.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."
Paul P. Harris, 1947
