From Our President

We also had a special guest, Jaretta Bell. Jaretta is our Rotary Ambassadorial Scholar who is leaving for New Zealand on January 22. Originally from Whitesboro, she spent 5 years in the U.S. Navy, has a degree in criminal justice from UNT and will be working toward an MA in international relations at UNT with a concentration on Terrorism. (It's certainly a new and not-so-great world.) During her stay in New Zealand, she will be involved with antiterrorism studies. **Check out her website at www.jaretta.com.** It's great.

Don Barnes was in a car accident in Florida and is currently in the hospital there. He has a ruptured spleen and may need surgery. He also has two broken ribs. Dee will keep us posted on his condition. Tom Syler is just getting out of the hospital. He broke his shoulder and will be rehabilitating for the next three months. Please keep these Rotarians in your thoughts and prayers along with any others who are experiencing difficult times.

Dan Fette, the Past President of the Denton Homebuilder's Association, was last week's speaker. He has been directly involved in the "green building" emphasis in the area, which incorporates a number of environmentally friendly and energy-saving methods in the home building process.

He pointed out that to build "green," all parts must be interrelated. There are many advantages to construction with this in mind, including saving 50% of our resources. Orientation of the house, air tightness, insulation, location of the air conditioning ducts and durable building materials are all important. You can check out more at www.greenbuiltnorthtexas.com

A Word to the Wise

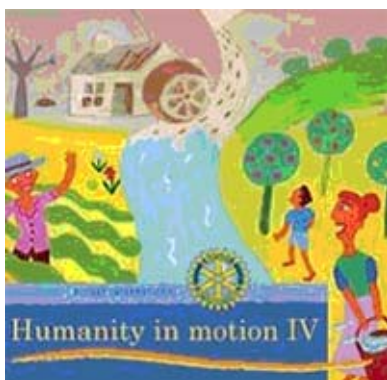

David Barrett and other Rotarians have delivered **66 dictionaries to 3rd graders at Borman Elementary!**

In addition to discussing with the kids how to use the dictionaries, they were also able to tell them a little about the Rotary Club and emphasize some of the organization's guiding principles.

Humanity in Motion

Rotary Note:

The articles this month include some tools... and ideas ... to achieve higher profile for Rotary in Denton. Here's a thought: How about collaborating with Denton South Rotary on some promotional efforts?

This is one of the many Humanity in Motion public service announcements that Rotarians can use to spread awareness of Rotary.

The fourth edition of Humanity in Motion will be sent to all clubs for use in promoting Rotary locally. Carrying a membership message, this edition emphasizes the ways that Rotary enables members to make positive contributions in the world and showcases the many attributes of the typical Rotarian.

Like the first three editions, Humanity in Motion IV includes television and radio public service announcements (PSAs), a newspaper supplement, and print and billboard PSAs.

Rotarians are encouraged to tailor the PSAs to their local community. Rotary clubs have used these tools in a number of creative ways.

For example, the Rotary Club of Kawaguchi/Hatogaya Bunan, Japan, placed small Rotary billboards on the back of 1,000 taxis.

In Canada, the Rotary Club of Westmount, Québec, created a 16-page color magazine using the Humanity in Motion supplement and PSAs to highlight Rotary's initiatives to eradicate polio and promote peace.

The club personalized the articles and PSAs to feature local service projects. The magazine was then distributed in a local newspaper to 10,000 homes.

With its membership focus, Humanity in Motion IV complements the third edition, distributed in 2006-07, which focuses on polio, peace through international education, literacy, the environment, and other issues that Rotarians are addressing.

Clubs are encouraged to use all these tools—and personalize them as appropriate—to promote Rotary in their community.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."
Paul P. Harris, 1947
