## United Way and the Rotary Way

Mary Ann McDuff, campaign chair for this year's United Way campaign, and Lilia Bynum, President and CEO, were the featured program on September 13. What seemed most impressive was not the goal (\$2,000,000) or the total reached by the Pacesetter companies (over \$600,000), but the extensive support members of the Denton Rotary Club provide to the United Way. Beginning with Lilia and Mary Ann and continuing through board and committee responsibilities, you can find Rotarians. As Mary Ann said, when you want something done, ask a Rotarian, and that's what she did.

Lilia, who as an active volunteer with the UW for many years before she became the President and CEO in 2006, said the UW work is more than a job... it is a passion. She

United Way of Denton County, Inc.

gave a brief history of the UW since the founding in 1887 of its forerunner. (Lilia said it was started by 2 ministers and a Rabbi, but she quickly pointed out that was not the start of one of Ron's "jokes".) UW is now

Mary Ann McDuff

the number one charity in the US raising more than \$3.98 billion annually.

The important point is the UW focuses on community impact and wants to make sure the impact of the organizations it supports is making things better. Currently the UW in Denton supports 24 local agencies and only 9% of the contributions are used for administration. Another interesting statistic. In Denton only 5% of the pledged amount last year was not collected.

A community service directory, financial stability partnership and communications about the earned income tax credit were several of the current initiatives the UW is leading in addition to its support of the local agencies.

"I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Rotary must continue to pioneer or be left in the rear of progress."

**Paul P. Harris, 1947**
